### **About Finavera Renewables Inc. ([www.finavera.com](http://www.finavera.com))**

Finavera Renewables Inc. is dedicated to the development of renewable energy resources and technologies. The Company's objective is to become a major renewable and green energy producer by developing and operating its assets in the wind sector. Finavera Renewables is developing wind energy projects in Canada and Ireland. In British Columbia, Canada, projects totaling 293 MW have been bid into the 2008 BC Hydro Clean Power Call. In Alberta, one 75 MW project is being developed. In Ireland, two pre-construction wind projects are under development with a potential capacity of 175MW. Data collection and environmental studies have been continuing at a number of sites in both countries.
